If you've been out of education for a while and are looking to reignite your passion for cooking, our Culinary Arts Step Up course is the perfect opportunity to get back into learning and develop the essential skills needed for a career in the culinary industry.

This programme is designed to support and guide you through both the practical and theoretical aspects of cooking, all while enhancing your employability and study skills.

With the food industry constantly growing, skilled chefs and cooks are always in demand. This course will provide you with the foundational skills and confidence needed to pursue a career in this exciting field. Whether you are aiming to work in a professional kitchen or explore further culinary studies, this course is your first step to success.

You'll get hands-on experience working in the college's TASTE Restaurant, which is open to the public for lunchtime service and special theme night dinners throughout the year offers.

ENTRY REQUIREMENTS

No formal entry requirements are required for this course.

ASSESSMENT METHOD

Your assessments are designed to match what you've learned. All your work will be marked by your tutors, giving you a chance to show off your skills in real-world situations.

You'll build a portfolio of your coursework, showcasing your progress throughout the course. Plus, you'll get hands-on experience through practical assignments and receive feedback from your tutors. Some mandatory units may be assessed by external exams.

PROGRESSION OPPORTUNITIES

After completing this course, you'll be well-prepared for further study in hospitality and catering, such as a study programme at Level 2.

STUDY METHODS

You will learn in dedicated classrooms and do practical tasks in the training kitchens.
