Learning Solutions: Menu of Support

Workshops

Approaching Learning

Motivation, how to make choices in your studies and making progress:

- Organisation
- Unlocking creativity
- Critical thinking
- Decision making
- Reflective thinking

Reading & Writing

For study purposes:

- Understanding terminology
- Working through texts
- Tackling concepts and theories
- Evaluation
- Writing for essays, reports, statements and reviews

English Language

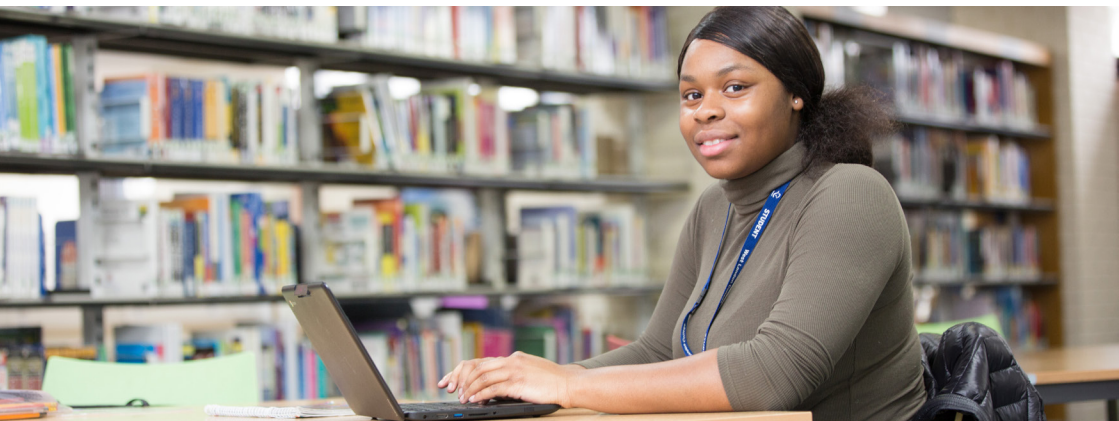

Getting a better understanding of English as an additional language and what is expected at college:

- Speaking & reading
- Writing in English
- Good study practices
- Independent study

Making Presentations

Gain confidence when presenting to groups and learn to use technology to help you:

- Organising
- Preparing
- Delivering
- Managing stress

Understanding Assessment

Understanding tasks; giving and receiving feedback:

- Decoding feedback
- Embracing change
- Developing resilience

Drop In Sessions

No waiting. Just come in.

Drop in sessions are for you if you just can't wait! Or if you have that piece of work that you just can't start or finish, our expert staff are there to help you.

Whether you are on an Entry, Level 1, 2 or 3 course or study for a Higher Education qualification, if you need immediate help we are here for you.

If you have a learning difficulty or disability, contact Seonaid Gooding, in room G413 or speak to your personal tutor to be referred for a 1-1 interview about your needs.

1-1 Support Appointments

For students who believe they may be Dyslexic, Dyspraxic, or other SpLD.

Specialist 1-1 Study Skill Support sessions are individual, personalised support sessions aimed to make you a more independent learner.

They are designed to help you develop skills that will enable you to work more efficiently or effectively.

Topics may cover:

- Time management & organisation
- Reading, exam & revision strategies
- Improving research skills
- Structuring assignments & essays
- Presentation skills
- Improving numeracy skills

Assistive Technology training

- Learn how to turn your phone into your own personal assistant!
- Use your computer or tablet smartly.
- Find an app to do the work for you.

Speak to the Skills Coaches for further information
