Applying for a UK Short-Term Study Visa (STSV)

This visa option is suitable for students who intend to come to the UK for a short period of time to study (maximum 11 months for English courses). Applicants applying for this visa will be issued with a supporting visa letter from the College.

The college is not currently able to sponsor students who require a Tier 4 visa to study in the United Kingdom. We offer support for students requiring a STSV to study in the UK.

What do I need to know about applying for a UK Tier 4 Student Visa?

To enter the UK as a student, you may need entry clearance, which means you must apply for a Tier 4 Student Visa at the British Embassy or High Commission in your country. All persons applying for a Tier 4 Student Visa must produce the following documents to show that they meet

the entry requirements:

- a valid passport or travel document
- a CAS number (issued less than 6 months ago) for a full-time course
- bank statements showing enough funds to cover the full tuition fees payable to the College, and the costs of living in the UK for up to a maximum of 9 months (if applicable) which must have been held in the account for a minimum of 28 days
- evidence of original qualifications used for assessment as listed on the CAS statement
- an approved Secure English Language Test

Further information on Tier 4 Student Visas and Student Visitor Visas can be found at www.gov.uk

What if I fail to get a visa?

If your application for a student visa is unsuccessful, and you wish to apply for a refund you **MUST** submit a refund application form and a copy of the Visa Refusal document given to you by the office that refused your visa. The reasons for your visa refusal will be taken into consideration by the College when you apply for a refund. If your visa is refused due to lack of preparation and/or forged documents you will not be eligible for a refund.

How much is a refund?

Your refund entitlement is outlined in your offer letter. Please ensure you read this letter and the refund policy carefully before making a payment to secure a study place on a course. Refunds are issued on a case by case basis.
